sub-, *prefix*. [prec.] FORMS: assimilation of final *b* to following *c f g m p r* is common; before *sc* and *sp* it is usually dropped; before *t sus-* (for *subs-*) is usual, also before *c* in *suscipio*, *suscito*, and derivatives. Compounded with verbs it adds the senses of the preposition, e.g. position underneath *substruo*, *sublino*, movement down or under *sublabor*, *subsero*, movement from below *subduco*, *subsilio*, and subsequent removal *summoueo*, position or movement close to *subiungo*, *subsequor*, substitution *sublego*, *sufficio*. Before verbs and adjectives it indicates a reduced intensity in the action or quality *subblandior*, *subdubito*, *subdolus*, *subniger*, *subsimilis* (in this sense assimilation occurs less frequently). Before nouns it indicates subordinate rank *succenturio*, *suppraefectus*.
